OUR MISSION

The underlying purpose of The People for People Charter School is to equip students with a challenging educational program in which the fundamentals of entrepreneurship are a primary focus. Economic, community, and career education are integrated into all subject areas and throughout all grades. Students acquire necessary knowledge, skills and interests through a highly experiential program that prepares them to take responsibility for their own lives and to participate actively in their communities.

ABOUT THIS HANDBOOK

The Board of Trustees of the People for People Charter School is responsible for establishing policies under which the school operates. This Student-Parent Handbook includes the school's Code of Conduct, adopted to apprise students, parents, and school personnel of the conduct and behavior required of all students to ensure a safe learning environment. It is therefore expected that all students enrolled herein abide by all school policies and procedures including the Code of Conduct and accept responsibility for their actions and behavior.

We hope this handbook will be a useful guide as we begin a year of working and learning together. The purpose of this handbook is to provide you with helpful information about day-to-day procedures at our school. As you will see our school is committed to providing a learning environment founded on research and exemplary teaching methods.

This handbook contains important information for you about our operational policies, procedures, and school expectations. Please take a few moments to read and review the handbook with your child and sign the Parent Handbook Receipt Form (found at the end of this booklet). Once you sign the form, please return it to your child's homeroom teacher.

Parents play an important role in making this school great. We cannot achieve our goals without you. Therefore, we greatly encourage parent participation in all class programs and extracurricular activities. Please refer to this handbook during the school year. Please feel free to call, email, or visit with any questions or concerns.

If policies or procedures change during the school year, an update will be distributed to all parents/guardians. Please note that to the extent that anything in this handbook could be construed to conflict with applicable state and/or federal laws, the applicable state, and/or federal laws control.

ADMISSION & ENROLLMENT REQUIREMENTS

Families interested in applying to The People for People Charter School can find a link to the application on the school's website, or at www.applyphillycharter.com. The application is available in English, Spanish, and many other languages.

The application window for the 2020-21 school year is from September 20, 2019 through January 27, 2020. Any application received after the close of the application window will go on a waiting list, after those names entered unsuccessfully in the lottery. The waiting list will remain active through the following school year. No child without an application will be admitted or entered into the lottery. Since this is a public school, there are no application or tuition fees.

All children residing in Pennsylvania are eligible for admission. If there are more applicants than there are spots available, Pennsylvania's Charter School Law requires that a lottery be held. The School's lottery date will be posted on its website. Please note that students are entered into the lottery individually, by grade, not as a family. There will be no exceptions. If one sibling is offered admission and the other is not, it is the parents' decision to separate them. An offer of admission cannot be held until the other child gets in. This policy also applies to twins in the same grade. Siblings of students already attending the previous school year will receive first preference, unless that number exceeds the number of spots available; then, those students will be placed into a separate sibling lottery. The grade that is filled out on the application is the grade in which the student will be entered into the lottery; students may not be moved from one grade's acceptance/waiting list to another after the lottery has taken place. As spots become available throughout the school year, we will pull from the waiting list and contact the parent.

The waiting list is generated for one school year only and does not carry over to the next year. Interested families must complete a new application each year. Their position on the waiting list does not remain the same, and they will be entered into the lottery again, if one is held.

There are five (5) required documents that must be available before admittance into the school program. These documents are: proof of age, immunization records, proof of residency, Home Language Survey, and Parent Registration Statement (Act 26 Form). No other documents are required for admittance. Parents may choose to provide the School with additional documents, including previous school records.

Student Withdrawal

Students moving to another district will need to first withdraw from The People for People Charter School before their records can be sent to the new school. If a parent requests a withdrawal because the student is having difficulty at the school, we encourage an open discussion of the issue with the Principal before commencing the withdrawal process. If a resolution cannot be reached, then it may be in the best interest of the child to seek a different educational environment. The following is the procedure to officially withdraw a student from the school:

- Parent will complete the Withdrawal Form.
- The Principal will sign the form.
- The Student will be removed from the School Information System.
- The Parent will provide PFPCS with the new student's new school's address, so that we may transfer the student's records.

ATTENDANCE POLICY

The People for People Charter School recognizes that attendance is an important factor in students' educational success, and supports a comprehensive approach to identify and address attendance issues.

Absence Notes

Parents **must submit** an absence note to the school **within three (3) days** of the children's unexcused absence. A note received after three days will/will not be accepted at the discretion of the Principal or his/her designee.

- For absences due to illness that do not total **three (3)** consecutive days, parents shall submit a note stating the illness.
- All absences of **three (3)** or more consecutive school days shall be supported by a physician's statement verifying the illness.
- All absences of **nine (9)** or more cumulative school days shall be supported by a physician's statement verifying the illness.

Absences Accepted

- Illness
- Quarantine
- Recovery from accident
- Required court attendance
- Death in family
- Educational tours and trips, with prior approval
- Authorized school activities
- Religious holidays or instruction with written notice (**up to 36 hours per school year**).

Unexcused Absence Policy

- After **three (3) unexcused absences (consecutive/nonconsecutive)**, a Three-Day Legal Notice will be sent to the parent/guardian.
- After **six (6) unexcused absences (consecutive/nonconsecutive)**, an attendance plan will be created for the student and a meeting will be held with the parent/guardian of the student to inquire about the truancy and come up with a plan to help remove any barriers to the student's attendance.
- After **ten (10) unexcused absences (consecutive/nonconsecutive)**, a Truancy Referral will be submitted to the School District of Philadelphia.

Truancy Referral Process

After ten (10) unexcused absences, a Truancy Referral will be submitted to the Office of Attendance and Truancy at the School District of Philadelphia. Once the referral is submitted, the family will receive a subpoena/citation from Philadelphia Family Court to appear in Truancy Court. The subpoena will have the date, time, and location of where the family should appear. In addition, a DHS contracted truancy provider will make contact with the family to arrange a meeting. The meeting is to extend services to help reduce/remove any barriers that are contributing to the truancy. The provider will work with the family until the case is discharged from truancy court. The truancy court process can last up to 120 days depending on the severity of the case. Each case is handled individually and different factors are taken into account.

Tardy Students

- Students are expected to arrive at school on time. Any student that arrives after **8:00 AM** will be marked tardy. A written note for tardiness must be received within **three (3) days** of the tardy to be excused. Anything received after **three (3) days** will/will not be accepted at the discretion of the Principal or his/her designee.
- Any student coming to school at **10:00 AM** or after and/or leaving school at **1:00 PM** or before without a written excuse note will be marked as **half-day unexcused**. **Two (2) half day unexcused absences will add up to one (1) full day of an unexcused absence.**

Discipline

The School shall not expel or impose out-of-school suspension, disciplinary reassignment or transfer for truant behavior.

DAY-TO-DAY OPERATIONS

Arrival and Dismissal

Students are expected to arrive between 7:40 a.m. and 8:00 a.m. The first class of the day begins at 8:00 a.m. Any student entering class after 8:00 AMM must first stop in the Main Office to obtain a Late Pass.

Kindergarten students are dismissed at 3:20 p.m. Kindergarten students are not allowed to ride the school buses to and from home. Students in grades 1-8 are dismissed at 3:30 p.m. Students follow a designated procedure to board the school buses between 3:30-3:45 p.m. Students in grades 9-12 are dismissed at 3:00 p.m.

All students being picked up by an adult should be picked up on-time. To ensure the safety of all our students, they will only be released to adults listed on the Emergency Contact Form. A valid picture ID is required if the person's identity is not known.

Early Dismissal

It is very important that students remain in class for the duration of the school day. However, an occasion may arise when a student needs to be taken out of class before regular dismissal. In this instance, a parent must provide the student with a note for his/her teacher stating the time and reason. All early dismissals must be signed out by the parent/guardian in the Security Office. In order to ensure the safety of all our students, they will only be released to adults listed on the Emergency Contact Form. A valid picture ID is required if the person's identity is not known. Early dismissals are also recorded and should be kept to a minimum. Parents are requested to pick up students by 2:00 p.m. on regular scheduled days and by 11:30 a.m. on school-wide early dismissal days.

Transportation & Student Pick-Up

The People for People Charter School, through the School District of Philadelphia, provides bus service to all students in first through eighth grade who qualify. Bus routes and stops have been mapped out with the aid of the Philadelphia School District. Kindergarten students are not eligible to receive transportation on the bus, and other arrangements must be made by the parent. Students in grades 7-12 are provided with SEPTA transportation passes each week, as long as they meet the School District of Philadelphia's eligibility requirements.

People for People Charter School will not release your child to anyone you have not included on the Authorized Pick-Up and Student Release Form. We know that emergencies and unusual situations happen, however, we ask that you please try to limit the people who pick up your child to the ones on this form. These precautions for releasing students are to ensure the safety of your child and are not meant to cause any inconvenience for parents.

If an emergency arises where the pick-up person is not on your authorized list, we will require a written note be sent in at the beginning of the school day with your signature authorizing the non-listed person to pick up. We cannot accept phone call pick-up changes or take the student's word for it. You will be notified immediately if someone not on your list comes to pick up your child and we have not received a written note with your authorization. Please notify the people on your list that they will be required to submit a picture identification to the school prior to the child's being released with them. This also applies to anyone you authorize in a written note to pick up your child.

Daily Transportation Changes: PFPCS understands that, from time to time, your transportation plans for your child may change. However, certain policies must be followed regarding transportation changes to ensure the

safety of our students. If these procedures are not followed, your child will be placed on his/her usual bus. There will be no exceptions in transportation procedures.

If circumstances arise on any given day that disrupts your child's usual transportation, PFPCS asks that you follow the following procedures so that we can ensure your child's safety.

Potential Changes:

- Student usually rides the bus after school but will be picked up.
- Student will ride to another student's house on same or different bus route.
- Student will be picked up by someone not on their authorized pick-up list.

If any changes in your child's transportation needs arise on any given day, a note from the parent/guardian must be sent to school with the student and given to the teacher. For households with more than one child attending, a note must be sent in with each child for his/her teacher.

Permanent changes to Bus Route/Transportation: For any permanent changes in your child's bus route or transportation routine (i.e. you move or if the child will stop riding the bus and be picked up), please forward a letter to the PFPCS office. Please give the office 72 hours to make necessary changes to bus routes. The School District of Philadelphia will then need up to two weeks to process the request.

Change of Address, Phone Number, or Employment

Parents are required to complete an Emergency Contact Form giving the name, address and telephone numbers of all places of employment, plus the names, addresses and telephone numbers of alternate persons to contact in case of an emergency. In the event of illness, or an emergency, this information is invaluable. Parents are required to notify the school office, in writing, if any data on this form changes at any time during the school year.

School and Classroom Visitation

Parents are always welcome at The People for People Charter School. However, in the interest of our children's safety and to avoid disruption to the learning environment, no one, including parents, may walk up the stairs, through the halls or into the classrooms without receiving permission from the Principal. **Any parent or visitor accessing any area within the school is required to sign in at the security office and to wear a visitor's badge. Parents will be escorted to the third floor Main Office or location requested.** Parents working as volunteers in the building must sign the **Parent Volunteer Book** in the office.

Notifying Children During School Hours

We request that parents and visitors refrain from interrupting classes during school hours. If you find it necessary to deliver a message, lunch money, clothing, etc. to your child while school is in progress, go directly to the Security Office on the first floor. Security will gladly assist you. Social arrangements should be addressed with your child at home so that you will not need to disturb the classroom. Please do not phone the classroom or your learner by his/her cell phone during class time.

School Closing for Emergency Dismissal

Our school emergency closing number is 167 (Philadelphia). If it should be necessary to close school during the school day due to inclement weather, children will be sent home in their usual manner. The announcement will be made by radio KYW 1060. If a developing storm or serious emergency leads to a decision to close the school at noon, every effort will be made to broadcast the information on radio and television by 11:00 a.m. If the decision is made to close the school during the afternoon, but before the regular dismissal time, every effort will be made to have the information broadcast by 1:00 p.m. It is the responsibility of the parent to establish an emergency location for his/her child to go to if no one is at home when the child arrives.

An unforeseeable emergency such as a power failure, heating problems, etc. may also necessitate an emergency closing. Children who are not picked up on such occasions will walk or be bused to the nearest safe environment and held until picked up or until the end of the regular school day. At that time, they will be sent home in the usual manner. Every parent must provide the school with the name and phone number of the person to be contacted in the case of emergency school closings, and the place where the pupil will be housed when dismissed before the regular time. The Principal, Director of Operations and/or other school personnel will remain in the school until every pupil is dismissed.

Closings for a Full Day

When inclement weather makes it necessary to close the school for a full day, every effort will be made to broadcast the information online, and on radio and television by 6:00 a.m. When the school is to be closed, listen for the announcement of school closing #167 in Philadelphia County. It may be necessary to make up full-day school closings at the end of the year.

Parent-School Communication

Throughout the school year, we ensure parents are properly informed of all school matters through a variety of communication strategies. As such, please ensure your mailing address, email address and phone numbers are up-to-date in order to receive information in a timely manner.

Meals

Breakfast is served and eaten from 7:40-8:00 AM daily. A warm, nutritious lunch is served daily in the cafeteria. Monthly menus will be handed out before the first day of each month and will also be posted on the school website. Parents are encouraged to fill out the Application for the National Free and Reduced Lunch Program and return it to the Business Office. This form must be filled out each school year and will be mailed out during the summer for the parents to complete for the upcoming year. A new form must be submitted to the Business Office if there are any changes in household income. The school has been approved for universal feeding and hence there is no charge for breakfast or lunch.

Parent-Volunteer Program

The People for People Charter School is committed to involving parents, family and the surrounding community in programs that improve the quality of our students' educational experience. Our hope is that parents and interested community members who are active partners in their child's education will promote school pride and better achievement within our student body. Clearances are required for volunteers.

We cannot expect our educational mission to succeed without the support and involvement of parents. We hope that your participation will grow exponentially as our school continues to seek to develop your child to his/her fullest potential.

When parent volunteers arrive at the school for their shift they must first sign in with Security and obtain a visitor badge. This badge must be worn at all times.

UNIFORM POLICY

Uniforms must be worn every day that the student is in attendance, beginning the first day of school. **Parents may be asked to come and pick up the student from the school for noncompliance of the uniform dress code.**

A uniform dress code provides all of the following benefits:

- Reduces peer pressure and social stigma
- Simplifies dressing preparation in the morning
- Encourages distinction of character and personality instead of appearance
- Places emphasis on learning, not the clothing
- Equalizes economic diversity
- Lowers long-term clothing costs
- Allows for a cohesive presentation as a group
- Facilitates security by identifying outsiders
- Enhances school spirit and helps build student's self esteem

ACADEMICS

The People for People Charter School recognizes the fundamental right of parents and legal guardians to direct the care and education of their children and is committed to collaborating with parents and legal guardians to develop the intellectual capabilities of these children in a safe and positive manner. However, educators and Boards of Trustees have the authority to adopt policies that are based on objective criteria. Therefore, it is the policy of The People for People Charter School that the determination as to the grade level into which a child should be placed will be the responsibility of the school.

Homework Policy

Homework is defined as "any work planned or approved by the teacher to be completed by the student outside of the regular classroom without the immediate and direct supervision of the teacher." Homework has been identified in almost all national and state reports on education as a vital factor in increasing student achievement. Homework allows students to reinforce skills, develop good study habits and time management skills, and foster interest in particular subjects.

Studies have shown that students should spend the following average amounts of time daily on homework:

Grades K-4	30 to 60 minutes
Grades 5-8	60 to 90 minutes
Grades 9-12	90 to 120 minutes

School Policy Regarding Reading

It is essential that students read outside of school time. Lower School (K-4) students are expected to read for at least 15 minutes per night. Middle School (5-8) students should read for at least 30 minutes per night. High School (9-12) students should read for at least 30-45 minutes per night.

Assessment & Grading Policy

Students must demonstrate that they have gained competency in the basic academic areas and in their grasp and understanding of the subject content in order to progress to the next level. A variety of interventions will be used to offer remediation for students who are having difficulty meeting the standards for their grade.

When a teacher has concerns about a student's progress, the child's parents will be notified in a timely manner. Early intervention in the form of additional support will be the course of action for all students who display signs of struggling. An accommodation program will be developed for each child.

The People for People Charter School will use a variety of assessments to measure student progress, and grades will be based on a combination of projects, tests, quizzes, homework, and class participation. Decisions regarding grades will be made through a team process. Members of the team will include the student's teacher, the Principal, and other specialists having insight or expertise in the learning process.

Promotion Policy

The Board of Trustees of the People for People Charter School recognizes that the social, physical and educational growth of students will vary and that students should be placed in the educational setting most appropriate to their needs at the various stages of their growth.

It is the policy of the Board that each student shall be moved forward in a continuous pattern of achievement and growth that corresponds with his/her own development and the system of grade levels and academic standards established for each grade. A student shall be promoted when s/he has successfully:

- Completed the course requirements, including credit requirements for high school students, at the presently assigned level.
- Achieved the academic standards established for the present level, based on the professional judgment of his/her teachers and the results of assessments.
- Demonstrated proficiency to move ahead to the educational program of the next level.
- Demonstrated the degree of social, emotional, and physical maturation necessary for a successful learning experience at the next learning level.

The Principal shall develop procedures for promotion and retention of students which assure that every effort will be made to remediate the student's difficulties before s/he is retained. The procedures shall be published at the school and made known to students and parents.

The recommendation of the classroom teacher/teachers shall be considered for promotion or retention of a student. Parents shall be informed well in advance of the possibility of retention of a student. The Principal shall be assigned the final responsibility for determining the promotion or retention of each student.

CRITERIA FOR PROMOTION & NON-PROMOTION

"Retention in grade level" and "failure" causing retention in grade level are not synonymous in concept. Retention in grade level implies that a pupil is receiving instruction appropriate to his "ability" to learn and "perform", although the instructional level may be significantly below the expected "average" norm. For example, a first grader at the end of the school year may be receiving instruction in reading at a preprimary level, and performing satisfactorily. However, that pupil may be a candidate for retention in grade level because he or she has not completed enough of the first-grade program to conjecture success in second grade. The pupil's second year in the same grade would continue at the point in which instruction terminated in the first year.

"Failure" connotes completing a program unsatisfactorily. School employees shall exercise all available options not to place a pupil in a setting where failure is predictable. As a pupil matures and likewise demands more independence, he/she may choose not to comply with minimal standards of mandated program, although he/she has evidenced that his/her performance could be satisfactory. All effort shall be directed toward changing the "attitudes" that have led to failure.

A. Promotion

Standard policy of the Charter School shall be to promote a pupil to the next grade level if, in the judgment of the teacher(s), the pupil's achievement and performance have been satisfactory at the

expected level of learning and if the higher grade level is more easily able to accommodate the pupil at the appropriate level of instruction.

B. Non-Promotion

A pupil is retained in the present grade level, if in the judgment of the student's teacher(s) and in consultation with the appropriate members of the professional staff, it is believed that the pupil can benefit by the retention, and if that present grade level can best accommodate the pupil at the appropriate level of instruction.

Factors to be considered in retention/failure of pupils:

1. Mental potential
2. Achievement/ Performance
3. Attitude/Interest
4. Chronological age
5. Development - physical, emotional, social
6. Previous retention

C. Schedule for Reporting Promotions/ Non-Promotions

Recommended Schedule: The following schedule is intended to outline the planning, evaluation and study that preceded the final recommendation for promotion or non-promotion of pupils.

Mid-Year

1. If, at the mid-point of the school year, the above reports have indicated unsatisfactory progress, a special study of these pupils with the intent of making an all-out effort to aid the pupil in qualifying for promotion will be implemented.
2. A Parent-Teacher conference shall be held for each pupil reported.
3. When necessary, reports on pupil enrolling during the second semester are to be made as soon as possible.
4. "Promotion in Question" is to be written on the conference sheet of each pupil reported in the second marking period if the unsatisfactory status has not improved.

Third Marking Period

1. Decisions on promotions and non-promotions will be made during grade-level meetings and/or in conjunction with input from the Instructional Support Team to insure greater uniformity of decisions on promotions and non-promotions.
2. Parent-Teacher conference is to be held for purpose of official notification of non-promotion.
3. Conference is to be held with child prior to report cards.
4. The pupil's promotion and non-promotion is to be indicated on the report card and cumulative folder.

Parent/Teacher Conferences

Parent/Teacher conferences are held at the conclusion of the first and second trimesters for all grades. Parents are expected to attend these important conferences and all possible efforts will be made to accommodate your schedule.

Additionally, The People for People Charter School encourages ongoing communication between parents and teachers. Parents who wish to set up a conference should feel free to call the office and arrange for a conference at their earliest mutual convenience. Teachers will contact parents if there is a problem with an individual student's work, attitude, health, or behavior at school. At that time, either the teacher or the parent may request a conference.

Field Trips

Throughout the school year, teachers plan educational trips for students to various destinations. The school will provide transportation; however, there may be admission fees for which the parent/guardian is responsible. A permission slip that must be signed and returned to the student's teacher, along with specific information about the trip, will be sent home to parents. When students participate in class trips, they represent The People for People Charter School. Therefore, they are expected to be on their best behavior at all times. Students who have exhibited excessive discipline problems may not be permitted to go on the trip.

School Materials

Students are responsible for the books that they use throughout the school year. At the end of the school year, or if a student transfers out during the year, an inventory will be taken of each student's book list. Any books that are missing will be charged to the student. Payment must be made before the end of the school year, or the student will not receive a final report card. Other factors may affect when a student may be given his/her report card, including balances due for meals, the After-School Program, field trips, etc. Please settle these accounts in advance to avoid any delay in the issuance of a student's report card.

RIGHTS AND PROTECTIONS

State and federal law affords many rights and protections to children with disabilities and their parents. A summary of these rights and protections follows. Interested persons may obtain a complete written summary of the rights and protections afforded by the law, together with information about free or low-cost legal services and advice, by contacting the special education coordinator or Principal of the charter school.

Prior Written Notice: The charter school must notify you in writing whenever it proposes to initiate or to change the identification, evaluation, educational program or placement of a child or whenever it refuses to initiate or make a change in identification, evaluation, educational program, or placement requested by a parent. Such notice must be accompanied by a written description of the reasons for the proposal or refusal, the options considered, if any, and the reason why such options were rejected.

Consent: The public school cannot proceed with an evaluation or reevaluation or with the initial provision of special education and related services without the written consent of the parent. A public school may override the lack of consent for an initial evaluation by requesting the approval of an impartial hearing officer of judge following a hearing. If the parent fails to respond to a written request for permission to reevaluate, however, the public school may proceed with the proposed reevaluation with consent. A public school may not seek a hearing to override the refusal of parent consent to an initial placement in special education.

Protection in Evaluation Procedure: Evaluations to determine eligibility and current need for special education and related services must be administered in a manner that is free of racial, cultural, or linguistic bias. Evaluations cannot consist of a single test or assessment and testing must be a valid measure of the psychological, social, emotional or other learning characteristic or behavior that the school is using it to measure. Testing and assessment must be administered in accordance with professional standards and the criteria established by the publisher. It must be administered in the native language of the child.

More Information

Detailed printed information about available special education services and programs are available upon request. Information and communications are in English, but will be provided in the native language or other modes of communication used by parents, if appropriate. If you'd like to learn more about Special Education Services please contact The People for People Charter School Director of Special Education at 215-763-7060 or rtsigos@pfpcs.org.

English Learners

Identification, results, and recommended placement:

The School identifies ELs at the time of enrollment, notifies parents of the identification and programming options, and approximately places the ELs into a language instruction educational program (LIEP) within the first 30 days of school or within 14 days of enrolment if a student enrolls after the first day of school.

At the School, English Learners are enrolled in the same manner as other charter school students, upon presentation of local address and proof of immunization. The School does not deny students access to school for any period of time or subject them to scrutiny that is not part of the normal enrollment process. The first step in identifying ELs will occur after students are admitted to the School through the lottery process. In the students' registration packet, families will be asked to complete a Home Language Survey.

EL identified students' names and information will be given to the Principal and EL Coordinator who will assemble the EL team to evaluate and perform a formal assessment of the students' language proficiency. Please refer to PDE's "English Learner Identification Procedure Grades K-12" for the specific process.

The School is not required to receive parent permission to identify students as ELs, including screening for English language proficiency.

The School will use the WIDA ACCESS PLACEMENT TEST (W- APT), which is aligned to the required annual State ELP assessment and ACCESS for ELs to assess students for placement in language instructional programs for ELs.

If students are found eligible for placement into a LIEP, the following English Acquisition levels that are aligned to the WIDA proficiency levels are used to determine English instruction for ELs:

- Level 1 – Entering
- Level 2 – Emerging
- Level 3 – Developing
- Level 4 – Expanding
- Level 5 – Bridging

Please note that parents of ELs have the right to refuse certain separate, specialized programs and services that may be part of the LIEP for their child(ren). A parent's decision to refuse programs or services must be informed and voluntary. The School will NOT influence the decision in any way and will not make any program or placement decisions contingent on the decision.

The School will notify parents and allow them to exercise their right to refuse part or all of the separate, specialized LIEP, before placement and programming decisions are made. In the event of an absence of a response from a parent after the School provided the parent with all the information as mentioned above, the School will proceed with the recommended placement.

LIEP description:

Instruction will be planned accordingly based on the results of the above “identification, results, and recommended placement” section. When a student is identified and placed to receive EL services, the School will follow the guidance of PDE’s “Classifying Language Instruction Educational Programs (LIEPS)” in order to determine the appropriate category of the School’s LIEP.

The School's LIEP will be identified by one of the six categories below:

LIEP Classifications

Classifications are from the point of view of services provided for each individual EL.

New LIEPs	Definition
EL Bilingual	Language Focus: Students should gain proficiency in both their native language and English with at least some instruction provided in the native language. Class Composition: ELs share the same native language
Mixed Bilingual	Language Focus: Approximately equal focus to English and a partner language, including content instruction in the partner language Class Composition: ELs and non-ELs are placed together in the same classroom
EL-Specific Transitional Instruction	Language Focus: The student’s native language is used to support English proficiency acquisition, but proficiency in a student’s native language is not a program goal Class Composition: ELs only
Mixed Classes with Native Language Support	Language Focus: The student’s native language is used to support English proficiency acquisition, but most instruction is provided in English. Support could be provided either inside or outside of the regular classroom. Class Composition: ELs and non-ELs are placed together in the same classroom
EL-Specific English-only Instruction	Language Focus: English language skills and content are the focus of instruction. The student’s native language is not used in either instruction or support Class Composition: ELs only
Mixed Classes with English-only Support	Language Focus: English language skills and content are the focus of instruction. The student’s native language is not used in either instruction or support. Support could be provided either inside or outside of the regular classroom. Class Composition: ELs and non-ELs are placed together in the same classroom

The School's LIEP:

- is aligned to state academic content standards for the appropriate grade level of the ELs
- includes ELD (English Language Development) instruction delivered by properly certified teachers who hold an ESL program specialist certificate or who are working in conjunction with ESL certified teachers
- incorporates the use of the PA ELDS
- provides equitable access to content for ELs at all language proficiency levels by providing research-based bilingual or sheltered instruction with fidelity
- does not limit the enrollment of ELs in any course or academic program for which they would otherwise be eligible

All of the above requirements are incorporated into the entirety of the student’s daily instructional time. English language development (ELD) is additionally incorporated into the School’s LIEP. ELD will take place daily throughout the day for ELs and will be delivered by both ESL and non-ESL teachers.

Criteria for reclassification and timeline to proficiency:

The School reclassifies ELs as former ELs (FELs) when they attain proficiency. This reclassification of current ELs to FELs takes place annually between June and September. The EL status of students for the 2018-19 school year must be determined by September 30, 2018 and reported in the PIMS October, 2018 District and School Enrollment Collection. Students reported as current ELs in the PIMS October District and School Enrollment Collection cannot be reclassified during the period from October, 2018 until June, 2019.

To be reclassified as FELs and removed from the School’s LIEP, students must meet the single required criterion and at least one of the additional criteria listed below:

1. For Kindergarten students—overall composite proficiency level score of 5.0 on an ACCESS for ELLs Kindergarten assessment (accountability score).

For grades 1-12 students—overall composite proficiency level score of 5.0 on an ACCESS 2.0 Grades 1-12 assessment.

NOTE: Cutoff score flexibility is available for students in grades 1-12 in the following *Special Circumstances*:

- *Following the grade and score criteria in the table below, the W-APT may be administered between June and July or the WIDA Screener after July 1 to students who scored below the minimum cutoff for program exit on the January administration of the ACCESS in order to demonstrate sufficient progress to justify exit.*

NOTE: The W-APT or WIDA Screener may only be administered to a student once in any school year.

Grade Level	ACCESS 2.0 Score	Required W-APT/Screener Scores*
K	Cut-off score flexibility is not allowable for Kindergarteners	
1-5	4.6-4.9	5.0 in each domain
6-8	4.7-4.9	5.0 in each domain
9-12	4.8-4.9	5.0 in each domain

NOTE: A student must score 5.0 in each domain (listening, speaking, reading and writing). A composite proficiency score will not be used.

Additional Criteria:

- Recommendation from an ESL teacher who has taught the students during the previous school year. *Please refer to PDE’s “State-Required English Learner Reclassification Criteria” for the recommendation form.

OR

- Recommendations from at least two core content area teachers who have taught the students during the previous school year and who have a functional knowledge of the WIDA performance definitions and ELD

Standards. *Please refer to PDE’s “State-Required English Learner Reclassification Criteria – SY 2016-17” for the recommendation form.

OR

- Writing sample that demonstrates proficiency at the Expanding level and speaking at the Bridging level as measured using the WIDA writing and speaking rubrics scored by an ESL teacher

ELs with Disabilities (taking the ACCESS for ELLs®)

An EL with a disability may be considered for reclassification if:

1. The student has an IEP, **AND**
2. The student has been continuously enrolled in an ESL/bilingual education program for at least four years, **AND**
3. The student’s overall composite proficiency level score on the ACCESS for ELLs® has not increased by more than 10% at any point or total over the three most recent testing cycles, **AND**
4. The IEP team, with input from an ESL/bilingual education professional, recommends reclassification. The recommendation criteria may be different than those used for ELs without disabilities.

ELs with Disabilities (taking the Alternate ACCESS for ELLS®)

ELs who are eligible for and take the Alternate ACCESS for ELLS® may be considered for reclassification when:

1. they achieve a score of at least P2 on two consecutive administrations of the test **OR** achieve the same score for three consecutive administrations of the test, **AND**
2. the IEP team, with input from an ESL/bilingual education professional, recommends reclassification. The recommendation criteria may be different than those used for ELs without disabilities.

The School will actively monitor the progress of FELs for a period of two years after reclassification and will additionally report students to the state in a monitor status for an additional two years. Students can be re-designated from FELs to active ELs if they struggle academically as a result of persistent language barriers. The School will ensure that the nature of the challenge for the FEL is language-based and not academic.

Any student who does not follow the rules will be escorted to the Principal's office for disciplinary action.

Bus Rules

Transport on the school bus is a privilege. We encourage parents to discuss bus safety with their children, and how inappropriate behavior can result in the loss of bus privileges. All students must comply with the following rules or they will be subject to disciplinary action, including suspension and/or expulsion from the bus.

1. Students must be at their assigned bus stop on time.
2. Until the bus comes to a complete stop and the red lights are flashing, students must stay on the sidewalk.

6. Students may not open the windows without permission.
7. Students must keep all body parts inside the bus window.
8. Students may not call or shout out of the bus window.

Parents are never permitted to board a school bus, under any circumstances.

Students with Disabilities and the Discipline System

People for People Charter School is committed to ensuring that the rights of its students with disabilities are protected. A manifestation determination is required by the Individuals with Disabilities Act (IDEA) when considering the exclusion of a student with a disability that constitutes a disciplinary change of placement. Disciplinary change of placement occurs when a student with a disability is removed from his/her current educational setting for more than 10 school days consecutively, or more than 15 school days cumulatively in a school year.

Within 10 school days of the decision to change a student's placement, People for People Charter School, the parent, and relevant members of the IEP team conduct a review to decide if the behavior of concern is a manifestation of the student's disability. During the manifestation determination hearing, the IEP team will answer the following questions: (a) Was the behavior caused by, or directly and substantially related to, the student's disability, and (b) Was the behavior the direct result of the Local Education Agency (LEA) not implementing the IEP. In addition, a manifestation determination hearing will be held for change of placement of any length of time for a student with an intellectual disability.

In conducting manifestation determination hearings, People for People Charter School follows the procedure and uses the materials recommended by the Pennsylvania Department of Education's Bureau of Special Education, vis-à-vis the Pennsylvania Training and Technical Assistance Network (PaTTAN).

People for People Charter School's full policy regarding manifestation determination and disciplining students with disabilities is available by contacting the Director of Special Education at (215) 763-7060 or rtsigos@pfpcs.org.

PFPCS encourages students and third parties who have been harassed to promptly report such incidents to the designated employees.

PFPCS directs that complaints of harassment shall be investigated promptly, and corrective action be taken when allegations are substantiated. Confidentiality of all parties shall be maintained, consistent with the school's legal and investigative obligations.

No reprisals nor retaliation shall occur as a result of good faith charges of harassment.

For purposes of this policy, harassment shall consist of verbal, written, graphic or physical conduct relating to an individual's race, color, national origin/ethnicity, gender, age, disability, sexual orientation or religion when such conduct;

1. Is sufficiently severe, persistent or pervasive that it affects an individual's ability to participate in or benefit from an educational program or activity or creates an intimidating, threatening or abusive educational environment.
2. Has the purpose or effect of substantially or unreasonably interfering with an individual's academic performance, or
3. Otherwise adversely affects an individual's learning opportunities.

For purposes of this policy, sexual harassment shall consist of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal, written, graphic or physical conduct of a sexual nature when:

1. Submission to such conduct is made explicitly or implicitly a term or condition of a student's academic status.

Complaint Procedure

Step 1—Reporting

A student who believes she/he has been subject to conduct that constitutes a violation of this policy is encouraged to immediately report the incident to the Principal.

If the Principal is the subject of a complaint, the student shall report the incident directly to the CEO. If the CEO is the subject of a complaint, the student shall report the incident directly to the Board of Trustees.

Step 2 —Investigation

Upon receiving a complaint of unlawful harassment, the Principal or his designee shall immediately investigate the complaint, unless the Principal is the subject of the complaint or is unable to conduct the investigation.

The investigation may consist of individual interviews with the complainant, the accused, and others with knowledge relative to the incident. The investigator may also evaluate any other information and materials relevant to the investigation.

The obligation to conduct this investigation shall not be negated by the fact that a criminal investigation of the incident is pending or has been concluded.

Step 3—Investigative Report

The Principal or his designee shall prepare a written report within fifteen (15) days, unless additional time to complete the investigation is required. The report shall include a summary of the investigation, a determination of whether the complaint has been substantiated as factual and whether it is a violation of this policy, and a recommended disposition of the complaint.

The findings of the investigation shall be provided to the complainant, the accused, the CEO, and the Board of Trustees.

Step 4 —School Action

If the investigation results in a finding that the complaint is factual and constitutes a violation of this policy, the School shall take prompt, corrective action to ensure that such conduct ceases and will not recur.

Disciplinary actions shall be consistent with the Student-Parent Handbook, Board policies and school procedures, and state and federal laws.

If it is concluded that a student has knowingly made a false complaint under this policy, such student shall be subject to disciplinary action.

Due Process Procedures

When the Incident Occurs

Student must be brought to the Principal or Acting Principal if the Principal is not available. The Principal must inform the student of the complaint against him. The student must be given an opportunity to respond with his/her side of story. Exception to the rule: prior notice of the intended suspension need not be given when it is clear that the health, safety or welfare of the school community is threatened.

Written notice of suspension will be prepared for parents and given to student. Notice should also be sent to the Secretary of the Board. As a precautionary measure, a copy of the notice may be sent to the parent by certified mail.

Notice must contain reasons for suspension and if for more than three (3) days, see below.

Suspension

Suspensions for 4 to 10 days (suspensions may not be made to run consecutively beyond the 10-school day period):

- 1) Student and parent have the right to an informal hearing with the CEO or Principal.
- 2) Informal hearing requirements:
 - a. The informal hearing is meant to encourage the student's parents/guardian to meet with the CEO or Principal to discuss ways by which future offenses can be avoided.
 - b. The steps below will be followed to ensure due process:
 - The student and the parent/guardian will be notified in writing as to the reasons for the suspension.
 - Sufficient notice will be provided with notice of the time and place of the informal hearing.
 - A student has the right to question any witnesses present at the informal hearing, and has the right to speak and produce witnesses on his/her own behalf.
 - The informal hearing will be held within the first 5 days of the suspension.

 - b) During the period prior to the hearing and decision of the Board of Trustees in an expulsion case, the student, unless on suspension, shall be placed in his normal class except:
 - If it is determined after an informal hearing that a student's presence in his normal class would constitute a threat to the health, safety, morals or welfare of others; and

8. The student will have the right to testify and present witnesses on his own behalf.
9. A record will be kept of the hearing, either by stenographer or by tape recorder.
10. The proceeding will be held with all reasonable speed.

Students and their parents/guardians will be apprised of these rights.

The School's and the student's representatives shall have the right to examine and cross-examine witnesses; The student has the privilege against self-incrimination, but that if the student does testify, he/she shall be subject to cross-examination; The Charter School has the burden of proving the charges by a preponderance of the credible evidence; A transcript of the proceedings shall be maintained and made available to the student's representative upon request; and the hearing shall be private or open to the public, as determined by the student's representative.

STUDENT ASSISTANCE PROGRAM

The People for People Charter School's Student Assistance Program (SAP) is a process designed to identify and address students who are experiencing problems, other than academic, that pose a barrier to their learning and academic success. The SAP team is composed of a group of specially trained school staff and community agency liaisons who work together to assist students and families by making in-school resources available and providing information about community resources. Referrals to SAP may be made by contacting the school counselor.

Student Assistance Program utilizes a multidisciplinary team and intervention system to remove educational and behavioral barriers, which interfere with student learning. Parents are encouraged to be involved in the process. The process is designed to assist both parents and students by making in school resources available and providing information about community resources. SAP does not provide treatment or implement disciplinary consequences. TITLE I

Title I

PFPCS receives federal funding through Title I, Part A – Improving Basic Programs. This federal program provides financial assistance to schools with high percentages of economically disadvantaged students to ensure that children meet challenging state academic standards.

Since more than 40 percent of the PFPCS student body is classified as economically disadvantaged (as determined by participation in the National School Lunch Program), PFPCS uses Title I funding to operate a school wide program to upgrade the instructional program for the whole school. Our school wide Title I program is based on effective means of improving student achievement and includes strategies to support parental involvement.

More than 50,000 public schools across the country use Title I funds to provide additional academic support and learning opportunities to help low-achieving children master challenging curricula and meet state standards in core academic subjects. For example, funds support extra instruction in reading and mathematics, as well as special preschool, after-school, and summer programs to extend and reinforce the regular school curriculum.

In 2019-20, PFPCS will use our Title I funds to:

- Fund the Technology Coordinator to manage the integration of technology in the classroom, implement web-based instructional resources and student information system programs, and facilitate data-driven decision making.
- Fund a highly qualified paraprofessional to assist the lower school classroom teachers and provide more individualized instruction to students.
- Support the Academic & Assessment Coordinator that assists the principal in ensuring that high quality curriculum and instruction is provided to the students.
- Fund a Data Manager/RTI Coordinator to identify students in need of additional supports and provide those supports (academic and non-academic) in a timely and effective manner.
- Provide high-quality professional development and training to our teachers to ensure that our staff members have the skills necessary to raise student achievement. Recruit highly qualified teachers.
- Offset the cost of implementing our school's school management software system, which will enable the school to provide parents with up-to-date student achievement data and to better track student progress.
- Program for parents on topics related to how they can best support their students at home.

PFPCS' Federal Program Coordinator can be reached at Omninvest, LLC., at phone number 215-497-8301.

Annual Title I Meeting:

PFPCS invites parents to attend our annual Title I information meeting, which will be held as part of the Back to School Night. At these meetings we will describe our participation in Title I, Part A programs, explain the requirement of Title I, and explain parents' right to be involved (including developing our Title I Parent Involvement Policy and Parent Compact).

Parent Rights Under Title I:

Under Title I, Part A, PFPCS parents have the right to:

- **Be involved in our Title I, Part A programs** – PFPCS, with the help of its parents, will continue to improve and implement a Title I Parent Involvement Policy and a School-Parent Compact.
- **Request regular meetings** – Requests for meetings to discuss Title I programs should be put in writing and submitted to the Federal Programs Coordinator in the Main Office.
- **Know teacher and paraprofessional qualifications** – Parents may request, and PFPCS then will provide, certain information on the professional qualifications of the student’s classroom teachers and paraprofessionals providing services to their children. Requests should be put in writing and submitted to the Principal in the Main Office.
- **Know non-highly qualified teachers** – PFPCS will provide to each individual parent timely notice that the parent’s child has been assigned, or taught for 4 or more consecutive weeks by a teacher who is not highly qualified as defined by the State of Pennsylvania guidelines.

Title I Complaint Procedures

A parent who feels that the school is not meeting its Title I or other responsibilities as outlined in this policy, should first discuss the problem with the school Principal or Federal Programs Coordinator. Examples of violations would be such things as:

- An annual meeting was not convened by the Principal to explain Title I offerings to parents.
- Parents were refused information on the professional qualifications of their child’s classroom teacher.

If the concern was not resolved at the school level, a parent should begin a formal Pennsylvania Department of Education (PDE) complaint procedure as outlined below. A complaint is defined by the People for People Charter School as a written, signed statement. It must include the following:

- a. A statement that PDE or PFPCS has violated a requirement of federal statute or regulations.
- b. The facts on which the statement is based.
- c. Information on any discussions, meetings or correspondence with PDE or PFPCS regarding the complaint.

Complaint Policy

While the Board of Trustees of the People for People Charter School encourages the public to attend Board meetings and to offer comment, the Board of Trustees recognizes that from time to time issues may be made known to the Board in a forum other than at a public Board meeting. The Board of Trustees welcomes the opportunity to address such issues within the parameters of the Open Meetings Law and this policy.

Constructive criticism of the Charter School is also welcomed by the Board of Trustees whenever such criticism is motivated by a sincere desire to improve the quality of the educational program or to equip the school to carry out its mission more effectively. The Board of Trustees similarly welcomes the opportunity to address such complaints within the parameters of the Open Meetings Law and this policy.

The Board directs that a chain of review be followed prior to bringing criticisms or individual issues to the Board of Trustees. The chain of review is as follows:

Delegation of Authority:

A. Matters Regarding a Staff Member:

First Level: A matter specifically directed toward a staff member shall be addressed, initially, to the concerned staff member who shall discuss it with the complainant and make every effort to provide a reasoned explanation or take appropriate action within his/her authority.

Second Level: If the matter cannot be satisfactorily resolved at the first level, it shall be discussed by the complainant and staff member with the staff member's direct supervisor.

Third Level: If a satisfactory solution is not achieved by discussion with the direct supervisor, or if the CEO is the direct Supervisor, the matter shall be discussed with the Board Chair.

Fourth Level: If the conflict persists, the Parent Teacher Organization will be contacted and an attempt will be made to resolve the matter to the parties' satisfaction.

At each of the above levels, the complainant shall be informed of his or her right to appeal the decision to the next level. Review of any decision made by a subordinate shall be on the basis of the facts of the matter and their appropriate disposition within the constraints of laws, rules, regulations and Board policy.

Wherever necessary, the Principal is directed to establish additional procedures to carry out this policy.

Fifth Level: If a satisfactory solution cannot be reached with the Parent Teacher Organization, the matter shall be referred to the Board of Trustees. The Board of Trustees has the discretion to refuse to accept complaints or criticisms pertaining to individual employees of the Charter School without specific documentation of attempts to resolve the issue with the employee in question. Any matter appealed to the Board of Trustees by a complainant shall be in writing and sent to the Board President at least three (3) days prior to the Board meeting or other Board member designated to receive such complaint or issue.

Where practical, matters will be addressed by the Board within thirty (30) days of receipt of the written request. The party appealing to the Board will provide a written background of the matter, with information such as the responses of individuals with whom the appellant met in the charter school. The Board may request additional documentation through the Principal and/or Parent Teacher Organization.

Decisions of the Board of Trustees shall be final.

The Board of Trustees recognizes that official action may only be made by a quorum of the Board in accordance with Pennsylvania's Open Meetings Law. Individual Board members do not have the authority to speak for the entire Board on specific subjects. Therefore, in the event that a criticism or a specific issue is made known to an individual Board member, whether verbally or through writing, the individual Board member will share that criticism with the full Board of Trustees within the parameters of

the Open Meetings Law.

The individual Board member will respond to the issue or criticism presented by an individual only in order to convey to the individual that the Board member cannot respond for the full Board of Trustees.

The Board member will provide the individual/complainant with a copy of this policy. In the event that the Board determines that the delegation of authority process has been followed, the Board will determine whether to address the issue/complaint in executive session or at a public Board meeting depending upon what forum is necessary as recommended by Principal and permitted by the Open Meetings Law.

B. Other Matters

A request, suggestion, or complaint relating to a matter of school policy, procedures, program, operation, pupil progress, pupil well-being, extra-curricular activities, or instructional materials, etc., should be addressed, initially, to the principal or the head of the Department who is most directly concerned, and then, in turn to the progressive levels of authority in the manner prescribed in part A. Responses will be made in accordance with the parameters of part A and the Open Records Law.

C. Civil Rights

Complaints regarding race, color, national origin, age, sex, or disability (protected classes) are considered Civil Rights complaints. You have the right to file a Civil Right complaint directly at the Federal level. When contacting the School, initially the Principal, regarding the complaint, the School must first inform the complainant of Federal Civil Rights rules and regulations that have been established for protected classes. If the School is unsure if the complaint falls under a protected class, the School should provide complainant the federal complaint information. The School must provide the complainant the necessary information to file a complaint:

INTERNET SAFETY POLICY PURSUANT TO THE CHILDREN'S INTERNET PROTECTION ACT (CIPA)

Background

According to the Pennsylvania Department of Education ("PDE"), the Federal Children's Internet Protection Act ("CIPA"), Pub. L. No. 106-554 and 47 USC 254(h), mandates that schools that receive federal technology funds must develop and implement measures and policies to prevent access to "visual depictions" that are determined to be "obscene", "child pornography", or "harmful to minors" as defined herein.

PDE has further stated that schools receiving certain E-rate discounts are also mandated by the Neighborhood Children's Internet Protection Act (N-CIPA) to adopt and enforce an Internet Safety Policy (ISP) that addresses harmful or inappropriate online activities. N-CIPA was passed as part of CIPA

The People for People Charter School Board of Trustees and the PFPCS School Administration collectively have adopted this Policy in order to establish specific standards to comply with CIPA and N-CIPA requirements.

This Policy is to be read in conjunction with the School's Student and Parent Agreements for Internet Usage and shall supplement, not supplant, the School's Acceptable Use of Computer Resources Policy.

The Chief Executive Officer ("CEO") or his or her designee is directed to include this Policy in the Parent and Student Handbook and the Employee Handbook. APPENDIX B

BULLYING/CYBER-BULLYING POLICY

The Board of Trustees and the School Administration recognize the importance of a safe school environment to the education process of People for People Charter School. The Board has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards; bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment; and since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect and refusing to tolerate bullying. The policy detailed herein, is adopted to ensure compliance with HB 1067 (PA) Amending "Article XIII-A Safe Schools" in the Pennsylvania School Code of 1949, that requires each school entity to adopt a policy related to bullying.

DEFINITIONS:

Bullying means an intentional electronic, written, verbal, psychological or physical act or series of acts directed at another student or students, which occurs in a school setting and/or outside a school setting or using school property that is severe, persistent or pervasive and has the effect of doing any of the following:

The Board and School Administration encourage students who have been bullied to promptly report such incidents to the Director of Operations or School Counselor.

Since bystander support of bullying can support these behaviors, the school prohibits both active and passive support for acts of bullying. As such, the Board encourages students have been witnesses to bullying to promptly report such incidents to the Director of Operations or School Counselor. The staff should encourage students to support students who walk away from these acts when they see them, constructively attempt to stop them, or report them to the designated authority.

The Board and School Administration direct that complaints of bullying be investigated promptly and thoroughly, and corrective action shall be taken when allegations are verified. Confidentiality of all parties shall be maintained, consistent with the school's legal and investigative obligations. No reprisals or retaliation shall occur as a result of good faith reports of bullying.

The Board and School Administration collectively prohibit any person from falsely accusing another of bullying.

DELEGATION OF RESPONSIBILITY

Each adult and student shall be responsible to respect the rights of others and ensure an atmosphere that is conducive to learning and free from bullying.

The Board requires the Director of Operations of the school (or designee) to be responsible for receiving complaints alleging violations of this policy. All other members of the school community, including students, parents, volunteers, and visitors, are encouraged to report any act that may be a violation of this policy. Reports may be made anonymously, but formal disciplinary action *may not* be based solely on the basis of an anonymous report.

The Board requires the Director of Operations (or designee) to be responsible for determining whether an alleged act constitutes a violation of this policy. In so doing, the Director of Operations (or designee) shall conduct a prompt, thorough, and complete investigation of each alleged incident. The investigation is to be completed within three (3) school days after a report or complaint is made. The consequences and appropriate remedial action of a person found to have violated this policy must be determined and implemented within three (3) school days from the conclusion of the investigation.

EDUCATION

CONSEQUENCES FOR VIOLATIONS

Consequences for a student who commits an act of bullying shall be unique to the individual incident and will vary in method and severity according to the nature of the behavior, the developmental age of the student, and the student's history of problem behaviors and performance, and must be consistent with the school's approved Code of Student Conduct. Remedial measures shall be designed to: correct the problem behavior; prevent another occurrence of the behavior; and protect the victim of the act. Effective discipline should employ a school-wide approach to adopt a rubric of bullying offenses and the associated consequences.

Consequences and appropriate remedial actions for a student or staff member who commits one or more acts of bullying may range from positive behavioral interventions up to and including suspension, expulsion, or referral to law enforcement officials in the case of a student, or suspension or termination in the case of an employee, as set forth in the school's approved Code of Student Conduct or Staff Handbook.
